

PNS SCHOOL OF ENGINEERING AND TECHNOLOGY, MARSHAGHAI

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

BRANCH : COMPUTER SCIENCE AND ENGINEERING

SEMESTER- 3RD

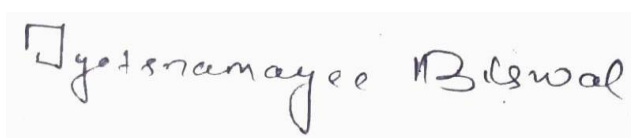

NAME OF THE TEACHING FACULTY : MISS.JYOTSNAMAYEE BISWAL

SUBJECT: OBJECT ORIENTED METHODOLOGY LAB

SEMESTER FROM DATE : 15.09.2022 TO 22.12.2022

DATE	NAME OF THE EXPERIMENT
16/09/2022	Write a java Program to print "Hello " on screen and then print your name on a separate line
21/09/2022	Write as java program print the sum of two numbers
24/09/2022	Write a javva that take a number as input and print its multiplication table upto 10
28/09/2022	Write a java program to print the are of perimeteter of a rectangle
12/10/2022	Wrtie a java program to swap two variables java program to convert a decimal number to binary number
15/10/2022	Wrie a java program that compare two numbers Write a java programand compute the sum of digits of an integer
19/09/2022	Write a java program to count the letters ,spaces , numbers and other character of an input string
22/10/2022	Write a java program to reverse a string
26/102022	Write a java program to accept a number and check the number is even or not . Prints 1 if the number is even or 0 if the number is odd
29/10/2022	Write a java program that accepts two integer values from the user and return the large values. However if the two values are the same , return 0 and return the smaller value if the two values are the same remainder when divided by 6
02/11/2022	Write a java program to get the larger value between first and last element of an array (of length 3) of integers
05/11/2022	Design a class to represent a basnk account . include the following numbers: Name of the depositor Account number Type a account Balance amount in the account
09/11/2022	Design a class to represent a basnk account . include the following numbers: Name of the depositor Account number Type a account Balance amount in the account

12/11/2022	Design a class to represent a bank account . include the following numbers: Name of the depositor Account number Type a account Balance amount in the account To design initial values To deposit an amount To withdraw an amount To display name and balance
16/11/2022	Given are two one dimensional arrays, A and B which are sorted in ascending order . Write a program to merge them into a single sorted array C that contains every item from arrays A & B , In ascending order
19/11/2022	Given are two one dimensional arrays, A and B which are sorted in ascending order . Write a program to merge them into a single sorted array C that contains every item from arrays A & B , In ascending order
23/11/2022	Write a java program implementing multiple inheritance
26/11/2022	Write a java program implementing package
03/12/2022	Write a java program to read a file line by line and print the line on the output screen
07/12/2022	Write a java program to read content from one file to and write into another file.
10/12/2022	Define an exception called " No match Exception " that is thrown when a String not equal to "INDIA" . Write program that uses this exception
14/12/2022	Develop a java project for percentage Calculator /temperature Conversion tool
17/12/2022	Develop a java project for percentage Calculator /temperature Conversion tool
